16:00
16:30
17:00

Opening Session			
Break			
S2: Biodiversity Restoration	S14: Exploring Biodiversity and Economy Connections	S16.a: The Resource Nexus for New Modes of Science-Policy Interaction	S13: Resource Neutral Engineering – Adding Value by Saving Resources
Break			
Keynote 1 Speaker: Elizabeth Maruma Mrema Keynote 2 Speaker: Hien T. Ngo Q & A			
Signatory Product Presentation & Open Discussion			
Break			
S1: Theoretical and Methodical Opportunities for Cross-scale Integrated Earth System Assessments	S18: Resource Nexus Perspectives on Coal Regions in Transition	S16.b (Part II)	

S5: Urban Green Mapping	S3: Biodiversity Offsets / No Net Loss / Net Gain	S4: Relational Values and Planning of Urban Nature and Biodiversity	<u>Special Session</u> Insights from the International Course on Restoration Towards Green Recovery
Break			
S11: Promoting Corporate Biodiversity Management Through Stakeholder Involvement	S20.a: Agriculture Practices, Climate Change, and Biodiversity: Adaptive Management and Integrative Policy Framework	S8.a: Sustainability Assessment – From Concepts to Methodical Implementation	
Break / Networking Opportunity: PhD Programme @ UNU FLORES, TUD, IOER			
Keynote 3 Speaker: Prof. Tan Puay Yok Q & A			
Keynote 4 Speaker: Dr. Bram Edens Q & A			
Break			
S9: Creating Circular Value in Building Stocks	S20.b (Part II) S7: Measurement Methods and Indicators of Regional & Urban Sustainability	S8.b (Part II)	<u>Special Session</u> Innovation Challenges for the Resource Nexus in the Global South

S10.a: Biodiversity in Urban Development – Planning Strategies and Instruments	S15: Fostering Collective Action: Mainstreaming Biodiversity Across Sectors	S17.a: Advancing Water Security by Climate Change Adaptation	<u>Open Session</u> People, Nature, Agriculture
Break			
S10.b (Part II)	S21: The Blue Economy: Contributing to Net Zero Carbon, a Circular Economy and the Nexus	S17.b (Part II)	S19: Governance of Agri-Food Systems
Break / Networking Opportunity: New Educational Formats by UNU FLORES			
Closing session & PRISMA Award
